Crtc2−PGE2_vs_control−PGE2 − GO:CC (ALL)
side of membrane
neuronal cell body
external side of plasma membrane
actin cytoskeleton
plasma membrane protein complex
apical part of cell
synaptic membrane
neuron to neuron synapse
asymmetric synapse
receptor complex
external encapsulating structure
extracellular matrix
membrane raft
membrane microdomain
postsynaptic membrane
presynaptic membrane
plasma membrane signaling receptor complex
sarcolemma
postsynaptic density membrane
protein complex involved in cell adhesion
