Crtc2−adenosine_vs_control−adenosine − GO:CC (ALL)
side of membrane
external side of plasma membrane
neuronal cell body
cell−cell junction
apical part of cell
plasma membrane protein complex
neuron to neuron synapse
asymmetric synapse
apical plasma membrane
receptor complex
synaptic membrane
external encapsulating structure
extracellular matrix
postsynaptic membrane
basal plasma membrane
adherens junction
sarcolemma
T−tubule
spindle midzone
outer kinetochore
