control−adenosine_vs_control−un − GO:CC (DOWN)
spindle
polymeric cytoskeletal fiber
chromosome, centromeric region
chromosomal region
microtubule
mitotic spindle
condensed chromosome
spindle pole
midbody
condensed chromosome, centromeric region
kinetochore
microtubule associated complex
spindle midzone
outer kinetochore
kinesin complex
intercellular bridge
cell division site
spindle microtubule
cleavage furrow
mitotic spindle midzone
