control−PGE2_vs_control−un − GSEA GO:BP
regulation of chromosome separation
regulation of mitotic metaphase/anaphase transition
regulation of metaphase/anaphase transition of cell cycle
metaphase/anaphase transition of mitotic cell cycle
metaphase/anaphase transition of cell cycle
regulation of sister chromatid segregation
regulation of chromosome segregation
DNA−templated DNA replication
sister chromatid segregation
chromosome separation
mitotic sister chromatid segregation
nuclear chromosome segregation
DNA replication
chromosome segregation
meiotic cell cycle process
nuclear division
mitotic nuclear division
meiotic cell cycle
spindle organization
chromosome organization
