Crtc2−adenosine_vs_control−adenosine − KEGG (UP)
MAPK signaling pathway
Motor proteins
Cell cycle
Neuroendocrine signaling pathway of hypothalamus−pituitary axis
Calcium signaling pathway
Rap1 signaling pathway
Progesterone−mediated oocyte maturation
Oocyte meiosis
Cytokine−cytokine receptor interaction
Oxytocin signaling pathway
C−type lectin receptor signaling pathway
Cholinergic synapse
Aldosterone synthesis and secretion
Gastric acid secretion
Circadian entrainment
Neuroactive ligand signaling
Salivary secretion
Viral protein interaction with cytokine and cytokine receptor
Insulin secretion
African trypanosomiasis
