Crtc2−adenosine_vs_control−adenosine − GO:CC (ALL)
side of membrane
external side of plasma membrane
anchoring junction
neuronal cell body
apical part of cell
cell−cell junction
plasma membrane protein complex
neuron to neuron synapse
asymmetric synapse
apical plasma membrane
synaptic membrane
receptor complex
external encapsulating structure
extracellular matrix
postsynaptic membrane
basal plasma membrane
adherens junction
T−tubule
spindle midzone
outer kinetochore
