Crtc2−PGE2_vs_control−PGE2 − GSEA GO:BP
mitotic sister chromatid segregation
chromosome segregation
mitotic spindle organization
sister chromatid segregation
spindle organization
mitotic nuclear division
nuclear chromosome segregation
nuclear division
organelle fission
T cell mediated immunity
cytokine−mediated signaling pathway
regulation of immune effector process
chromosome organization
T cell activation
lymphocyte differentiation
positive regulation of cytokine production
mononuclear cell differentiation
immune effector process
leukocyte mediated immunity
response to virus
