Crtc2−adenosine_vs_control−adenosine − GO:CC (DOWN)
side of membrane
external side of plasma membrane
dendritic tree
anchoring junction
dendrite
plasma membrane protein complex
neuronal cell body
receptor complex
cell−cell junction
apical part of cell
synaptic membrane
apical plasma membrane
external encapsulating structure
extracellular matrix
postsynaptic membrane
plasma membrane signaling receptor complex
presynaptic membrane
T−tubule
Golgi lumen
endosome lumen
