Crtc2−adenosine_vs_control−adenosine − GO:CC (UP)
spindle
polymeric cytoskeletal fiber
side of membrane
microtubule
condensed chromosome
chromosome, centromeric region
chromosomal region
apical part of cell
mitotic spindle
condensed chromosome, centromeric region
kinetochore
midbody
spindle pole
external side of plasma membrane
apical plasma membrane
microtubule associated complex
intercellular bridge
spindle midzone
outer kinetochore
kinesin complex
