Crtc2−adenosine_vs_control−adenosine − GO:CC (DOWN)
side of membrane
external side of plasma membrane
plasma membrane protein complex
neuronal cell body
cell−cell junction
receptor complex
apical part of cell
synaptic membrane
apical plasma membrane
external encapsulating structure
extracellular matrix
membrane raft
membrane microdomain
postsynaptic membrane
plasma membrane signaling receptor complex
presynaptic membrane
sarcolemma
T−tubule
Golgi lumen
endosome lumen
