Crtc2−un_vs_control−un − GO:CC (DOWN)
side of membrane
external side of plasma membrane
plasma membrane protein complex
apical part of cell
receptor complex
synaptic membrane
membrane raft
membrane microdomain
apical plasma membrane
postsynaptic membrane
basal part of cell
basal plasma membrane
basolateral plasma membrane
external encapsulating structure
plasma membrane signaling receptor complex
presynaptic membrane
postsynaptic density membrane
postsynaptic specialization membrane
protein complex involved in cell adhesion
Golgi lumen
