Crtc2−TNF_vs_control−TNF − GO:CC (UP)
cell surface
lytic vacuole
lysosome
side of membrane
extracellular space
vacuolar membrane
lysosomal membrane
lytic vacuole membrane
external side of plasma membrane
basal part of cell
basal plasma membrane
basolateral plasma membrane
endoplasmic reticulum protein−containing complex
endoplasmic reticulum lumen
preribosome
small−subunit processome
preribosome, large subunit precursor
oligosaccharyltransferase complex
MHC class II protein complex
endoplasmic reticulum chaperone complex
