Crtc2−adenosine_vs_control−adenosine − GO:CC (ALL)
cell surface
side of membrane
extracellular space
external side of plasma membrane
anchoring junction
apical part of cell
plasma membrane protein complex
cell−cell junction
receptor complex
apical plasma membrane
mitotic spindle
external encapsulating structure
extracellular matrix
basal plasma membrane
basolateral plasma membrane
plasma membrane signaling receptor complex
sarcolemma
T−tubule
spindle midzone
outer kinetochore
