Crtc2−adenosine_vs_control−adenosine − GO:CC (UP)
spindle
polymeric cytoskeletal fiber
microtubule
side of membrane
anchoring junction
condensed chromosome
chromosome, centromeric region
chromosomal region
mitotic spindle
condensed chromosome, centromeric region
kinetochore
spindle pole
midbody
external side of plasma membrane
microtubule associated complex
intercellular bridge
spindle midzone
outer kinetochore
kinesin complex
mitotic spindle midzone
