Crtc2−un_vs_control−un − GO:CC (ALL)
cell surface
side of membrane
extracellular space
external side of plasma membrane
anchoring junction
apical part of cell
plasma membrane protein complex
apical plasma membrane
receptor complex
basal part of cell
membrane raft
membrane microdomain
basal plasma membrane
basolateral plasma membrane
cluster of actin−based cell projections
external encapsulating structure
extracellular matrix
contractile muscle fiber
plasma membrane signaling receptor complex
T−tubule
