control−PGE2_vs_control−un − GO:CC (DOWN)
chromosomal region
condensed chromosome
spindle
chromosome, centromeric region
condensed chromosome, centromeric region
microtubule
nuclear chromosome
kinetochore
mitotic spindle
spindle pole
replication fork
centriole
condensed nuclear chromosome
microtubule associated complex
outer kinetochore
nuclear replication fork
inner kinetochore
MCM complex
CMG complex
DNA replication preinitiation complex
